Shoreline School of Cosmetology is a job training program sponsored by Goodwill Industries in partnership with the Santa Cruz County Regional Occupations Program. Supervised by professional cosmetologists, the students enrolled in the 1600 hour course divide their time between classroom instruction and providing salon services at affordable prices.

The Esthetician Program operates in the evenings and students are required to complete 600 hours of training and instruction.

Goodwill Industries finances education, training, and employment services through the collection and sale of donated goods. Please be sure to visit one of our Goodwill Stores. Store locations maybe be found at our website: www.scgoodwill.org
